# Welcome

## to Impact Hub Vienna

Since 2010, Impact Hub Vienna has been supporting entrepreneurs, organisations, companies, and institutions in developing bold solutions to key societal challenges. **Our mission is to help shape a just and sustainable society** – and to that end, we create spaces that inspire innovation, collaboration, and meaningful connections, bringing together a vibrant community of impact makers.

**Located in the heart of Vienna's 7th district**, Impact Hub Vienna offers **flexible, light-filled spaces to host up to 150 participants** in a variety of setups and formats, ideal for workshops, conferences, networking, or creative gatherings.

The venue is **fully accessible**, ensuring that everyone can participate comfortably, and as a certified **Green Location** by the Austrian Eco-Label, sustainability is embedded into every aspect of our operations.

We look forward to creating **impactful and inspiring** events together.

# The Impact Hub Difference

**Impact Hub Vienna is focused on working together** towards a more just and sustainable future. With this goal in mind, our emphasis on impact, sustainability, accessibility, and excellent service is what makes us different.

## Accessibility

**Barrier-free** facilities and furniture, technical support for **hybrid and inclusive events**, flexible room setups to meet **diverse needs**.

## Sustainability

**Green location certified by the Umweltzeichen** (Austrian Ecolabel) with sustainable catering options. **Green certification available** for your event.

## The Service

**A tailored and hassle free event experience** offering space, service, catering, technology, event design, content creation, promotion, and professional support.

## Built-in Sustainable Practices:

- Vegan/vegetarian by default
- No single-use plastics
- Food waste tracking & redistribution
- Event eligible for additional Green Event Certification

# Let's co-create events with impact

An all-in-one event service including expert moderation, speaker curation, content design, event experience and more.

## Our services

### Custom Events

**Co-design your event with us:** from theme and narrative to speakers, formats, and post-event content.

### Keynotes & Seminars

**Host topic presentations with experts on impact entrepreneurship,** measurement, and sustainability.

### Signature Formats

**Choose** from a variety of proven formats that effectively spark **collaboration and fresh thinking.**

## Why us?

Over the past years, we've specialised in delivering **multi-day conferences**, **hybrid formats** and **inspiring workshops** - hosting hundreds of events annually.

**Impact Days**, our flagship event, has been the biggest event in the Vienna UP festival, bringing over 700 participants to emblematic venues like Hofburg and Rathaus.

**We look forward to creating an impactful experience together!**

# A glance at our signature formats

## Inspiring & Impactfull

### Impact Walk - Explore Vienna

A inspiring walk through Vienna that introduces you to local impact enterprises. Along the way, discover ventures tackling today's biggest challenges and shaping a more just and sustainable future.

### Unboxing Impact Measurement

Impact is more than good intentions. This session unpacks tools and frameworks that help companies define clear outcomes, track progress, and prove the difference they make in the world.

### Building Ethical Compass

How do values shape decisions in business? Through cases and discussion, participants develop a practical framework for navigating complex choices with clarity and integrity.
